PRESS RELEASE

Releasing Officer: Chief John Naulty
Report Number: N/A
Date / Time Incident: December 21, 2020

CIRCUMSTANCES: With the anticipated rise in COVID-19 cases in the Fort Bragg area, the Police Department have made the decision to close the front lobby to walk in traffic starting December 28, 2020. Staff will still be in the office during regular business hours, but access will be restricted to protect members of the public and our staff.

To arrange vehicle releases, property returns and ticket sign-offs, the telephone located outside the front door, will connect directly to Dispatch, who will contact the appropriate member of staff to assist. This unfortunately means that we will not be able to offer Livescan services at this time.

We hope this is just a short closure, and we will be back to full service again soon.
