FOR IMMEDIATE RELEASE

TIRE AMNESTY EVENT ENDING EARLY DUE TO SUCCESS

The Tire Amnesty Event was scheduled to span two days this weekend from Saturday, October 23rd – Sunday, October 24th from 9 a.m. to 2 p.m. each day. However, due to the high popularity of this event, we are unable to take anymore tires.

NorthBay Conservation Corps, the sponsoring agency, tallied the tire collections to be approximately 1,071 tires collected from participants. They filled the majority of the two 28' trailers on the first day of the event. The parking lot will remain closed as originally scheduled in an effort to deter and prevent illegal dumping.

No more tires can be collected as part of this event, please do not leave tires. The City has no means for disposing of any additional tires. This site will be monitored and persons caught dumping illegally will be prosecuted.
