Announcement: Abalone Enforcement

#### **INFORMATION:**

On April 9, 2016 the Fort Bragg Police Department, along with Abalone Watch, conducted abalone enforcement at the Noyo Headlands Park (Glass Beach). Officers contacted approximately 80 abalone divers and conducted compliance checks. All abalone divers checked were in compliance with possessing legal-sized abalone. Two abalone divers were issued citations for removing glass from the beach in violation of the Fort Bragg Municipal Code.

The Fort Bragg Police Department would like to remind the community that glass may not be removed from Glass Beach. Citizens contacted in possession of glass in the vicinity of Glass Beach are subject to fines. All persons are prohibited from utilizing the bluffs for ocean access or repelling and violators are subject to fines. Persons utilizing Noyo Headlands Park (North & South Trails) should be cognizant of posted maps which indicate prohibited/protected areas.
