### **\*PRESS RELEASE\***

Releasing Officer: Chief Fabian Lizarraga  
Date: October 5, 2016  
Information: New CSO Uniforms

#### **INFORMATION:**

The Fort Bragg Police Department wants to inform the community that their Community Service Officers (CSO) have a new look. The more comfortable and relaxed approved uniform shirt is meant to offer a more approachable look for our dedicated CSOs. Their new look is anticipated to enhance not only their comfort level while working, but also a unique differentiation from sworn Police Officers. While they provide many services to the community, many times they were confused with regular sworn Officers. The cloth badge patch and prominent title and name should enhance that difference and allow them to work to maximum efficacy.

The two CSOs pictured above, Gretchen Leinen and Keyona Martinez, will soon be joined by a third CSO to fill a long existing vacancy.
