### **CIRCUMSTANCES:**

In the early morning of October 31, 2016, Officers of the Fort Bragg Police Department observed a suspicious vehicle and several pedestrians loitering in the 500 Block of Cypress Street. While investigating the locked, unoccupied vehicle, Officers identified a potentially loaded firearm and several open containers of alcohol. Believing the vehicle to be involved in criminal activity, Officers surveilled the vehicle until the driver and occupants returned and attempted to leave the area.

Based on an equipment violation and the suspicious activity, Officers conducted a traffic enforcement stop in the 700 Block of River Drive. During that traffic stop, Officers identified the occupants of the vehicle as Joshua Admire, Alissa Colberg and Luis Pineda. During a search of the vehicle subsequent to arrest, Officers located methamphetamine, paraphernalia and multiple loaded firearms, including the firearm originally observed by the Officers.

Based on the contraband located in the vehicle, the occupants were arrested for various felonious charges related to the illegal possession of firearms and transported to the Mendocino County Jail. All of the discovered firearms were seized as evidence.
