

CITY OF FORT BRAGG

News Release

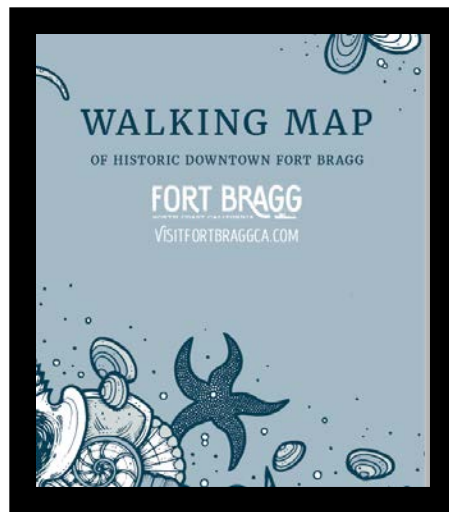

August 2, 2019

FOR IMMEDIATE RELEASE

FORT BRAGG WALKING MAP AVAILABLE

The Visit Fort Bragg Committee is excited to announce the release of the *Walking Map of Historic Downtown Fort Bragg*. The map highlights businesses in the Central Business District (CBD) and access to our coastal attractions, including the Coastal Trail, Glass Beach and our local State Parks. The map features work from local artist Derek DiOrio. Mr. DiOrio's work can also be seen on the Coastal Trail (ocean scene in a bottle), the mural on the west side of Interior at 224 E. Redwood Avenue, and will soon be used on 48 new banners on light poles to be displayed throughout the CBD featuring ocean scenes.

The maps are free to local businesses and organizations. Distribution to downtown businesses will begin on August 2nd. If you are interested in making the maps available to visitors in your business, please email info@visitfortbraggca.com.

Questions regarding this information should be directed to info@visitfortbraggca.com.
