FOR IMMEDIATE RELEASE

WATER SERVICE CONNECTION INSTALLATION – SOUTH FRANKLIN STREET

On Thursday, August 22, 2019 City Public Works crews will be working to install a water service connection on the 400 block of South Franklin Street. The site is located just north of the Intersection of Chestnut. Work is scheduled to occur between 7:30 am and 4pm. There will be no parking on either side of the street during this time. Two-way traffic will be minimally impacted and no delays are anticipated.

Thank you in advance for your patience and we apologize for any inconvenience.
