FOR IMMEDIATE RELEASE

2019 STREETS REHABILITATION PROJECT UPDATE #7

As we close out the week ending November 8, 2019, the paving portion of the project is substantially complete. Work will continue next week Tuesday, November 12 through Friday, November 15, from 7 a.m to 6 p.m. when Construction Crew will be raising manholes and valves on all streets in project limits. The following week will be primarily for clean-up, punch list items, and close out.

Residents along the affected roadways will be notified 48 hours in advance of work and "No Parking" signs will be placed 72 hours prior to work. Drivers are reminded to allow additional driving time, to drive cautiously in the construction zones, and if possible, park and use nearby streets.

Questions regarding this information should be directed to Chantell O'Neal, Engineering Technician, at (707) 961-2824 Ext.133.
