**CITY OF FORT BRAGG, CALIFORNIA
LEGISLATIVE PLATFORM 2019
PURPOSE OF PLATFORM**

The primary objective of the Legislative Platform is for the City Council to adopt official City positions on specific legislative issues at the start of the legislative session. The legislative platform will streamline the approval process by providing staff clear direction on pertinent issues at the beginning of the legislative session. The Platform is developed and maintained using the goals and objectives adopted by the City Council, a review of legislative priorities from the League of California Cities, input from City Council and staff, research of current law and pending legislation, as well as discussions with local legislative staff and the City's legal counsel.

For proposed legislation, either consistent with the City's legislative priorities or consistent with legislative positions the City has taken in the past; the Mayor and the City Manager may send corresponding letters of opposition or support without further Council action. Items not addressed in the City's legislative priorities will require further Council direction, and staff will be required to submit a request to Council.
