GENERAL FINDINGS

1. The proposed project is consistent with the purpose and intent of the zoning district, as well as all other provisions of the General Plan, Inland Land Use and Development Code (ILUDC) and the Fort Bragg Municipal Code in general;
2. The design, location, size, and operating characteristics of the proposed activity are compatible with the existing and future land uses in the vicinity;
3. The site is physically suitable in terms of design, location, shape, size, operating characteristics, and the provision of public and emergency vehicle (e.g., fire and medical) access and public services and utilities (e.g., fire protection, police protection, potable water, schools, solid waste collection and disposal, storm drainage, wastewater collection, treatment, and disposal, etc.), to ensure that the type, density, and intensity of use being proposed would not endanger, jeopardize, or otherwise constitute a hazard to the public interest, health, safety, convenience, or welfare, or be materially injurious to the improvements, persons, property, or uses in the vicinity and zoning district in which the property is located;
4. The project complies with Specific Use Regulations established for the project;
5. For the purposes of the California Environmental Quality Act (CEQA), this project was found to be exempt under Section 15303 – conversion of existing structures to new uses.

PERMIT FINDINGS

Pursuant to ILUDC Section 18.71.050(F), The Community Development Director finds that the project:

1. Complies with the purpose and requirements of this Section;
2. Provides architectural design, building massing, and scale appropriate to and compatible with the site surroundings and the community;
3. Provides attractive and desirable site layout and design, including building arrangement, exterior appearance and setbacks, drainage, fences and walls, grading, landscaping, lighting, signs, etc.;
4. Provides efficient and safe public access, circulation, and parking;
5. Provides appropriate open space and landscaping, including the use of water efficient landscaping;
6. Is consistent with the General Plan, any applicable specific plan; and
7. Complies and is consistent with the City's Design Guidelines.

STANDARD CONDITIONS

1. This action shall become final on the 11th day following the decision unless an appeal to the Planning Commission is filed pursuant to ILUDC Chapter 18.92 - Appeals.
2. The application, along with supplemental exhibits and related material, shall be considered elements of this permit, and compliance therewith is mandatory, unless an amendment has been approved by the City. Any condition directly addressing an element incorporated into the application exhibits shall be controlling and shall modify the application. All other plans, specifications, details, and information contained within application shall be specifically applicable to the project and shall be construed as if directly stated within the condition for approval. Unless expressly stated otherwise, the applicant is solely responsible for satisfying each condition prior to issuance of the building permit.
3. The application, along with supplemental exhibits and related material, shall be considered elements of this permit, and compliance therewith is mandatory, unless an amendment has been approved by the City.
4. This permit shall be subject to the securing of all necessary permits for the proposed development from City, County, State, and Federal agencies having jurisdiction. All plans

submitted with the required permit applications shall be consistent with this approval. All construction shall be consistent with all Building, Fire, and Health code considerations as well as other applicable agency codes.

5. The applicant shall secure all required building permits for the proposed project as required by the Mendocino County Building Department.
6. If any person excavating or otherwise disturbing the earth discovers any archaeological site during project construction, the following actions shall be taken: 1) cease and desist from all further excavation and disturbances within 100 feet of the discovery; and 2) notify the Director of Public Works within 24 hours of the discovery. Evidence of an archaeological site may include, but is not necessarily limited to shellfish, bones, flaked and ground stone tools, stone flakes produced during tool production, historic artifacts, and historic features such as trash-filled pits and buried foundations. A professional archaeologist on the list maintained by the Northwest Information Center of the California Historical Resources Information System or Listed by the Register of Professional Archaeologists shall be consulted to determine necessary actions.
7. This permit shall be subject to revocation or modification upon a finding of any one or more of the following:
 - a. That such permit was obtained or extended by fraud.
 - b. That one or more of the conditions upon which such permit was granted have been violated.
 - c. That the use for which the permit was granted is so conducted as to be detrimental to the public health, welfare, or safety or as to be a nuisance.
 - d. A final judgment of a court of competent jurisdiction has declared one or more conditions to be void or ineffective, or has enjoined or otherwise prohibited the enforcement or operation of one or more conditions.
 - e. Unless a condition of approval or other provision of the Inland Land Use and Development Code establishes a different time limit, any permit or approval not exercised within 24 months of approval shall expire and become void, except where an extension of time is approved in compliance with ILUDC Subsection 18.76.070 (B).

SPECIAL CONDITIONS

1. Prior to operating as a formula business as defined in ILUDC section 18.100.020 under "Formula Business Regulations", approval of a use permit is required prior to installing/maintaining two or more of the following standardized features: an array of merchandise/menu, décor, uniforms, façade, color scheme, exterior signage including a trademark or service mark as signage.
2. The applicant shall apply for a building permit and receive issuance prior to construction of the gazebo.
