

RESOLUTION NO. 4428-2021

RESOLUTION OF THE FORT BRAGG CITY COUNCIL APPROVING THE TEMPORARY WATER SHARING AGREEMENT BETWEEN THE CITY OF FORT BRAGG AND THE FORT BRAGG UNIFIED SCHOOL DISTRICT

WHEREAS, the City of Fort Bragg (“City”) has experienced significantly less rainfall in the last twenty-four (24) months than would be considered normal; and

WHEREAS, the water flow in the Noyo River has declined to and below water levels in the summer of 1977, which is the worst drought on record for the City of Fort Bragg; and

WHEREAS, historically, in the months of August, September and October, the Noyo River experiences high tides, where the gravitational pull between the sun and the moon increase tide levels to a foot or two higher than normal tide levels. High tides during periods of low flow levels on the Noyo River increase salinity content and shorten pump run times, impairing the City’s ability to replenish water supply from the Noyo River; and

WHEREAS, the weather forecasts continue to show no significant rainfall in the area in the coming weeks and months; and

WHEREAS, City is the owner of a public water system that supplies water within and just outside its boundaries; and

WHEREAS, on March 5, 2021, the USDA declared that 50 counties in California, including Mendocino County were designated as a primary natural disasters area due to recent drought; and

WHEREAS, on April 21, 2021, Governor Newsom declared a state of emergency in Mendocino County due to drought conditions; and

WHEREAS, on July 12, 2021, the Fort Bragg City Council declared a Stage 2 Water Warning for the Fort Bragg Water System; and

WHEREAS, a public hearing is scheduled for the regular City Council Meeting on August 9, 2021 for the City Council to consider declaring a Stage 3 Water Emergency for the Fort Bragg Water System; and

WHEREAS, the Fort Bragg Unified School District (“District”) is the owner of certain real property (“District Property”) located in the City of Fort Bragg, Mendocino County, California; and

WHEREAS, the District Property includes water supply improvements, including, but not limited to a groundwater well and pump (collectively, “Well”), which District uses to supply water for the District’s various irrigation and consumption needs; and

WHEREAS, current drought conditions have the potential to cause harm to the health, safety and welfare of the residents, visitors and businesses who depend on the City’s Water

System as their sole and primary source of water used for consumption, health and sanitation;
and

WHEREAS, City desires to extract certain supplies of water from the Well during times of water shortage in order to treat and inject the water back into the Fort Bragg Water System;
and

WHEREAS, the Temporary Use of the District's Well water is exempt pursuant to the California Environmental Quality Act ("CEQA") and Title 14, the California Code of Regulations ("CEQA Guidelines"), Section 15269 (c) as an emergency project to prevent or mitigate an emergency; and

WHEREAS, based on all the evidence presented, the City Council finds as follows:

1. It is in the best interest of the City's Water System customers to provide sufficient water to ensure the health, sanitation and safety of its customers.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Fort Bragg does hereby approve the Temporary Water Sharing Agreement and authorizes the City Manager to execute the same.

The above and foregoing Resolution was introduced by Councilmember Peters, seconded by Councilmember Albin-Smith, and passed and adopted at a regular meeting of the City Council of the City of Fort Bragg held on the 9th day of August, 2021, by the following vote:

AYES: Councilmembers Albin-Smith, Morsell-Haye, Rafanan, Peters and Mayor Norvell.
NOES: None.
ABSENT: None.
ABSTAIN: None.
RECUSED: None.

BERNIE NORVELL
Mayor

ATTEST:

June Lemos, CMC
City Clerk
