## **Draft 2022 Regional Transportation Plan & Active Transportation Plan Available for Public Review**

The Mendocino Council of Governments (MCOG) has updated the Mendocino County Regional Transportation Plan (RTP) and Active Transportation Plan (ATP) and the draft plan is now available for public review and comment. The draft plan may be viewed on MCOG's website at <https://www.mendocinocog.org/draft-2022-regional-transportation-plan>.

The RTP is a long-range planning document covering a 20-year time span, which includes short- and long-range transportation projects across all modes of transportation, including motorized, non-motorized, and public transit. It promotes a safe and efficient transportation system, and establishes regional goals that support mobility, economic, and health aims of the region. The RTP includes the Active Transportation Plan for the region. The 2022 RTP and ATP are scheduled to be adopted by MCOG on December 6, 2021.
