Message from the Chief of Police

Message from the Chief of Police:

Calendar year 2017 saw a continuation of incentives and programs established and brought back to the Department and the City. Our K-9 program flourished with the regular deployment of Maverick and Takoda with their partners and handlers on Patrol. Department and City staff were involved in a tabletop exercise in the Refurbished Emergency Operations Center. Especially during the summer and warmer months the Department's E-Motorcycles saw regular deployment. We are using these to help us patrol the coastal trails as well as City streets. Systems and policies were drawn up to meet Department of Justice standards for future deployment of Body Worn Cameras (BWC). This allowed for the purchase and receipt of ten BWCs that will be worn by all Patrol Officers and Community Service Officers.

The Department Drone was used to obtain footage from the damaged Pudding Creek Dam to be used by Public Works. The drone was also used to obtain data on encampments on private and City property to be used for enforcement efforts. The FBPD Cadets were utilized at various community events as well as deployed to decorate city streets with the American flag during Independence Day and Memorial Day events. Two of our officers continued their membership in the County Regional SWAT team and saw several deployments throughout the County.

All members of the Department have continued to give service to the community in a more effective manner in order to improve the quality of life of all our residents. We have committed and dedicated officers and support personnel that are willing and able to help any of our residents in need of service.

While Police Agencies across the State and the Country continue to experience various degrees of anti-police sentiment, the members of the Fort Bragg community continually expressed their support and appreciation of the members of the Fort Bragg Police Department. Every one of us is grateful and recognizes our duty to continue to give our residents the police service they have come to expect and deserve.

From top to bottom, the members of the Fort Bragg Police Department will continue to take on challenges, work hard and establish more partnerships with you, our community, to ensure the best quality of life possible for all of the Fort Bragg Community.

Sincerely,
Fabian E. Lizarraga

Program and Personnel Review

Police Cadet Program:

The Fort Bragg Police Cadet Program is starting its second class of Cadets with four Cadets confirmed for the next Police Cadet Academy. In order to minimize costs to the Department and City, the next Academy will not begin until a minimum of eight Cadets have been identified. While awaiting the enrollment of new Cadets, the Police Cadet Program will begin holding monthly two hour trainings. These trainings will involve both the Cadets from the first Police Cadet Academy, and the newly identified Cadets. These trainings will serve as an opportunity to not only hone the Cadets skills in various law enforcement related areas, but will also work to sustain esprit de corps between the two classes. Cadets of both classes will continue to assist with various events throughout the city.

For 2017, the Cadets participated in over twenty public events ranging from parades, non-profit organization events, and department tasks. The Fort Bragg Police Department Cadet program leader from Class 01, Maria Ramirez, was awarded the annual youth volunteer award from the Jere Melo foundation. This prestigious award is awarded to only a single youth volunteer, and was accompanied by a letter of recognition from the U.S. Representative for California's 2nd congressional district, Congressman Jared Huffman.

A major milestone for the program in 2017 was the participation of several Cadets in oleoresin capsicum (OC Spray) training. This training was a mock-up of the California Peace Officer Standards and Training (POST) recommendation for law enforcement academies across the state. The training included Cadets being exposed to the chemical spray accompanied by performing hands-on law enforcement tasks including baton strikes and handcuffing. A total of four Cadets participated in the voluntary training.

The future of the Cadet program includes plans to expand the program into a more complex exploration of law enforcement and the criminal justice system. In the coming year, the Department hopes to assist the Cadets with potentially attending the California Highway Patrol Explorer Academy hosted at the West Sacramento California Highway Patrol training facility. Besides this training, the Department is in the planning phase of organizing a visit to the Police Academy hosted by the Santa Rosa Junior College Public Safety Training Center.

Community Involvement

Coast Police Activities League Bicycle Rodeo

Officers work with the youth in our community teaching them the rules of the road and safe habits when riding their bicycles on our local streets. One of the goals of the Bicycle Rodeo is to teach children good bicycle safety. Free helmets are given out by the Police Department to any child who needs one.

Coast Police Activities League Fishing Clinic

Shown here are youth from our community getting an opportunity to fish in a local pond during the annual Coast Police Activities League Fishing Clinic. The Fish and Wildlife Department stocks the pond, then along with other law enforcement members, help the children with their catch!

Coast Police Activities League Christmas Party

Every year staff from the Fort Bragg Police Department participate in the Coast Police Activities League Christmas Party. The children at this event are presented with a multitude of craft activities and a variety of games to play.

Community Involvement

Take Back Event

The Police Department participated in the annual Take Back Event in cooperation with the Drug Enforcement Administration (DEA). This event was successful in removing a great deal of potentially dangerous drugs and substances from our community. The Department has a "Red Box" available to safely collect unused, expired and unwanted drugs throughout the year.

Fire Safety Day

Each year the Police Department joins many other agencies such as the Fire Department, CalFire, Mendocino County Sheriff's Office, Fish and Wildlife, CalStar and PG&E on Fire and Safety Day. This event is usually held at Timberwolf Stadium and is open to all 3rd, 4th and 5th graders at Dana Gray School, who are taught various safety tips throughout the day.

National Night Out

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods a safer, better place to live. National Night Out was held at Bainbridge Park where the Police Department, along with Neighborhood Watch, put on a community BBQ.

The Police Department provided traffic control and security for the annual Whale Run.
