Bainbridge Park Grant Entry Selected as a Winner in the State Farm Neighborhood Assist Program

June 13, 2022 (Fort Bragg, CA) — Adventist Health Mendocino Coast and the City of Fort Bragg are pleased to announce that Bainbridge Park has been selected as a winner in the State Farm Neighborhood Assist program. The \$25,000 grant will be used to help install two artificial turf soccer fields.

“This project benefits the health and well-being of our vibrant community,” said Judy Leach, President of Adventist Health Mendocino Coast. “We are grateful for the partnership with the City of Fort Bragg and thank the community for casting their support for this project which creates healthy spaces for families to gather and play.”

Winners in the State Farm Neighborhood Assist program were selected by the public during an online voting period in May. The planned soccer fields are part of a larger, city-led project to improve Bainbridge Park, the only public playground in the city.

“Seeing this program selected as a winner is both humbling and awesome,” said Bernie Norvell, Mayor of Fort Bragg. “We’re thankful to Adventist Health’s commitment to our community’s well-being, and I’m super proud of our city and all the coastal communities for helping to make this happen.”

###

Adventist Health is a faith-inspired, nonprofit integrated health system serving more than 80 communities on the West Coast and Hawaii. Founded on Adventist heritage and values, Adventist Health provides care in hospitals, clinics, home care agencies, hospice agencies and joint-venture retirement centers in both rural and urban communities. Our compassionate and talented team of 34,000 includes associates, medical staff physicians, allied health professionals and volunteers driven in pursuit of one mission: living God's love by inspiring health, wholeness and hope. Together, we are transforming the American healthcare experience with an innovative, yet timeless, whole-person focus on physical, mental, spiritual and social healing to support community well-being.
