NOTICE OF FINAL ACTION

On August 22, 2022, final action was taken by the City on the following Design Review application:

PERMIT TYPE & NO.: Design Review DR 13-22

APPLICANT/OWNER: Glenn Neutren

LOCATION: 248 E. Laurel St.

APN: 008-154-21

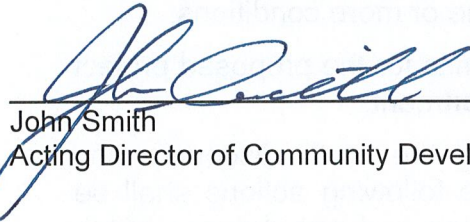

DESCRIPTION: Repaint and resurface building and install front gate

DATE OF ACTION: August 22, 2022

ACTION BY: Acting Director of Community Development

ACTION TAKEN: Approved (See attached Findings and Conditions)
 Denied (See attached Findings)

THIS PROJECT IS: Appealable to the City of Fort Bragg Planning Commission. Decisions of the Community Development Director shall be final unless appealed to the Planning Commission within ten (10) days after the decision is rendered. An appeal shall be submitted in writing along with the appeal fee of \$375.00 to the Community Development Department, and shall specifically state the pertinent facts and the basis for the appeal. Appeals shall be limited to issues raised at the administrative public hearing, or in writing before the public hearing, or information that was not known at the time of the decision.

Permit Findings

1. The proposed project complies with the purpose and requirements of this Section, that *“Design Review is intended to ensure that the design of a proposed project assists in maintaining and enhancing the small-town, coastal, historic, and rural character of the community.”*
2. The proposed exterior modifications are attractive and provide an attractive and desirable site layout and design that will enhance the exterior appearance of the building.
3. The proposed project is consistent with the Inland General Plan.
4. The proposed project, as conditioned, complies and is consistent with the City's Design Guidelines.

STANDARD CONDITIONS

1. This action shall become final on the 11th working day following the decision unless an appeal to the City Council is filed pursuant to Chapter 18.92.030. This action is appealable to the California Coastal Commission pursuant to Chapter 18.92.040.
2. The application, along with supplemental exhibits and related material, shall be considered elements of this permit, and compliance therewith is mandatory, unless an amendment has been approved by the City.
3. This permit shall be subject to the securing of all necessary permits for the proposed development from City, County, State and Federal agencies having jurisdiction. All plans submitted with required permit applications shall be consistent with this approval.
4. This permit shall be subject to revocation or modification upon a finding of any one or more of the following:
 - (a) That such permit was obtained or extended by fraud.
 - (b) That one or more of the conditions upon which such permit was granted have been violated.
 - (c) That the use for which the permit was granted is so conducted as to be detrimental to the public health, welfare or safety or as to be a nuisance.
 - (d) A final judgment of a court of competent jurisdiction has declared one or more conditions to be void or ineffective, or has enjoined or otherwise prohibited the enforcement or operation of one or more conditions.
5. The applicant shall secure all required building permits for the proposed project as required by the Mendocino County Building Department.
6. If any person excavating or otherwise disturbing the earth discovers any archaeological site during project construction, the following actions shall be taken: 1) cease and desist from all further excavation and disturbances within 100 feet of the discovery; and 2) notify the Director of Public Works within 24

hours of the discovery. Evidence of an archaeological site may include, but is not necessarily limited to shellfish, bones, flaked and ground stone tools, stone flakes produced during tool production, historic artifacts, and historic features such as trash-filled pits and buried foundations. A professional archaeologist on the list maintained by the Northwest Information Center of the California Historical Resources Information System or Listed by the Register of Professional Archaeologists shall be consulted to determine necessary actions.

7. This permit is issued without a legal determination having been made upon the number, size or shape of parcels encompassed within the permit described boundaries. Should, at any time, a legal determination be made that the number, size or shape of parcels within the permit described boundaries are different than that which is legally required by this permit, this permit shall become null and void.
8. This Design Review approval shall lapse and become null and void 24 months from the date of approval unless before the passing of 24 months an extension is requested and obtained.
9. The Standard and Special Conditions of Approval shall be incorporated and printed in the Construction Plans submitted at time of a building permit application.

SPECIAL CONDITIONS

1. Any changes to either of the proposed designs or colors shall be “counter approved” by staff prior to implementation.
2. The door frames and window sills shall be painted either a shade of white or stained a natural wood color to articulate those features in compliance with the design guidelines.
3. Any structural changes to the building beyond the removal of the metal siding and wood or false wood siding will require a historic resource evaluation, a Certificate of Appropriateness in compliance with Inland Land Use and Development Code Chapter 18.74, and design review.
