

MENDOCINO COUNTY CONSULTANT LIST

(Revised April 2022)

The following list has been prepared to assist project applicants in the selection of consultants with expertise in a variety of both general and specific fields. This list is comprised of unsolicited requests by consulting firms who have expressed an interest in contracting for services in Mendocino County. Statements of Qualifications of many of the firms are on file with the Department of Planning and Building Services. Mendocino County in cooperation with the City of Fort Bragg has prepared this list as a reference guide only. Individuals utilizing this list should be aware that Mendocino County cannot guarantee client satisfaction with consultant work products, costs, timelines, etc. **Please Note: The Department of Planning and Building Services and City of Fort Bragg strongly encourage you to perform your own independent background of consultants you may wish to employ, and ensure yourself that they are qualified to perform the work required for your project.**

General
