Section 162(a) of the Federal-Aid Highway Act of 1973 (Section 324, Title 23 U.S.C.) – Prohibits discrimination on the basis of sex by recipients and sub-recipients of Federal financial assistance.

Section 504 of the Rehabilitation Act of 1973 – Prohibits discrimination on the basis of disability by recipients and sub-recipients of Federal financial assistance.

The Age Discrimination Act of 1975 (Section 6101-6107, Title 42 U.S.C.) – Prohibits discrimination on the basis of age by recipients and sub-recipients of Federal financial assistance.

The Civil Rights Restoration Act of 1987 (Public Law 200-209) – Clarifies that the original intent of Congress in Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973 was to apply the non-discrimination statutes to all programs and activities of Federal-aid recipients, sub-recipients, contractors and vendors, whether all such programs are federally assisted or not.

Executive Order 12898 (issued February 11, 1994) – Addresses Environmental Justice regarding minority and low-income populations and requires agencies to develop strategies to address disproportionately high and adverse human health or environmental effects of their programs on minority and low-income populations; promote nondiscrimination in federal programs substantially affecting human health and the environment; and provide minority and low-income communities access to public information and an opportunity for public participation in matters relating to human health or the environment.

Executive Order 13166 (issued August 16, 2000) – Addresses improved access to services for persons with limited English proficiency. Agencies are directed to evaluate services provided and implement a system that ensures that Limited English Proficiency (LEP) persons are able to meaningfully access the services provided consistent with, and without unduly burdening, the fundamental mission of the local agency. Agencies are directed to ensure that recipients of federal financial assistance provide meaningful access to program, services and information to their LEP applicants and beneficiaries free of charge.

- Complainant's contact information
- Date of alleged act of discrimination
- Details of the alleged discrimination
- The complainant's signature

Once the Title VI complaint is received, the Title VI Specialist will forward the complaint to Caltrans, to be submitted to the FHWA Division Office. The Title VI Specialist will also begin processing the complaint by entering said complaint into the City's Title VI Discrimination Complaint Log, and conducting an internal investigation. Once a finding has been determined/received, the City's Title VI Specialist will provide said finding to the complainant within ten business days via letter and/or email.

Complaints Processed Under the Federal Highway Administration

Title VI complaints filed with Caltrans in which Caltrans is named as the Respondent will be forwarded to the FHWA Division Office. The Complainant will receive an acknowledgement letter informing them that the complaint has been received and forwarded to the FHWA.

Per the FHWA Guidance Memorandum, Processing of Title VI Complaints, dated June 13, 2018, all Title VI complaints received by a sub-recipient (City of Fort Bragg) are to be forwarded to Caltrans to be submitted to FHWA Division Office. Complaints should be sent within one business day of receipt via email to Title.VI@dot.ca.gov. If Headquarters Office of Civil Rights (HCR) determines a Title VI complaint against a

sub-recipient can be investigated by Caltrans, HCR may delegate the task of investigating the complaint to Caltrans.

Caltrans OCR Investigation Process

If OCR is delegated the responsibility of performing an investigation, OCR has 90 days to investigate the complaint. If additional time is needed, OCR will call the Complainant and inform them.

If more information is needed to resolve the case, the OCR investigator may contact the Complainant. The Complainant has ten business days from the date of the letter to send the requested information to the investigator assigned to the case.

If the investigator is not contacted by the Complainant or does not receive the additional information within ten business days, OCR can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.

OCR will consult with HCR regarding the disposition of the complaint. Disposition of Title VI complaint will be undertaken by HCR, through either (1) informal resolution or (2) issuance of a Letter of Finding of compliance or noncompliance with Title VI. A copy of the Letter of Finding will be sent to all parties via the Division Office.

Limited English Proficiency

A Limited English Proficiency (LEP) person is a person that does not speak English as a primary language and has a limited ability to read, write, or comprehend English. Per Executive Order 13166, agencies which receive Federal funding must examine their Federally-funded services and develop and implement processes that will allow LEP persons to meaningfully access said services. Executive Order 13166 also requires that agencies receiving Federal funding must establish guidance for providing meaningful access to LEPs, prepare a plan to overcome language barriers in Federally-funded programs and activities, and ensure that stakeholders have adequate opportunity to provide input.

As shown in Table 1 above, 13.4% of residents in Fort Bragg are considered LEP persons, with the majority of those LEP persons primarily speaking Spanish (26.0% of the community) and Other Indo-European Languages (2.0% of the community). As outlined in the City's LEP Plan (Appendix A), the City has conducted an LEP Needs Assessment, using a Four Factor Analysis to identify need and provide access to the LEP community in compliance with Executive Order 13166.

Title VI Information Dissemination

In order to ensure that Title VI and related Civil Rights information is readily available to the public, the City will develop public notices consisting of posters, flyers, complaint forms and "I Speak" cards that are available in English and Spanish. The languages selected for the informational materials were based upon language data provided from the US Census; see Table 1 above. Said flyers and posters will be placed in the City Hall lobby, in a highly visible and accessible location. The public notices will

also be available for viewing on the City's website, at <http://www.city.fortbragg.com/departments/title-vi>.

Environmental Justice

In accordance with Executive Order 12898 (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations), City Staff will identify and address the environmental effects of programs, policies, and activities on minority and low-income populations for Federally-funded projects. Staff will consider demographic data during project design and involve the public in the planning and development process to assess the environmental impacts of projects on the community. The public's input and demographic data analysis will enable staff to develop measures to mitigate any potential adverse effects on minority and low-income populations.

Data Collection and Analysis

Demographic and related data collected and used by City staff comes from governmental sources responsible for collecting and vetting the information for consistency and accuracy. These sources include, but are not limited to, the U.S. Bureau of Labor Statics, U.S. Census Bureau, U.S. Bureau of Economic Analysis, California Department of Finance, California Department of Labor, and the California Employment Development Department.

Additionally, staff may also collect project-specific demographic data utilizing data collection as appropriate through the public outreach process on Federally-funded projects. Such outreach that may give Staff the opportunity to collect demographic data may include door hangers, posters, emails, social media releases, press releases to local newspaper, public meetings, virtual meetings, and public comment through websites generated for projects.

Contract Documents and Agreements

The City's Title VI Specialist will ensure that any Federally-funded project documents contain the necessary Title VI Assurances and other language. Such assurances include, but may not be limited to:

- FHWA Form 1273 (Title VI and other non-discriminatory requirements)
 - Required on all FHWA contracts and subcontracts valued greater than \$10,000
- Title VI Assurances Appendix A-E
 - Appendix A-E to be attached to Federal-Aid contracts

Additionally, City staff will include the provisions indicated in the "Administering Agency-State Agreement for Federal-Aid Projects Master Agreement" in the Local Assistance Program Manual (LAPM) in contracts and agreements, where applicable, between the City and contractors.

The City will continue to utilize the "Local Agency Construction Contract Administration Checklist" (Exhibit 15-A of the LAPM), which confirms that DBE and labor/Equal Employment Opportunity (EEO) compliance requirements are performed and documented in the project files. Exhibit 15-A of the LAPM documents that the local agency will meet all the requirements prior to the award of a construction contract.

Lastly, the City will continue to utilize the "Resident Engineer's Construction Contract Administration Checklist" (Exhibit 15-B of the LAPM) on federal-aid projects. The checklist assists in administering federal-aid highway construction projects and provides a record that the EEO/Wage Rate/False Statements posters are being posted at specific locations that employee interviews will be conducted in accordance with the Labor Compliance/EEO interview form, and that DBE requirements are met. City staff will continue to submit Exhibit 15-B, along with the Award Package shortly after award of the construction contract.

Training

The City of Fort Bragg Public Works Department will provide Title VI and related statute training to Public Works managers, supervisors, and staff with frequent public contact in the administration of federal-aid programs. These trainings will occur at minimum every two years, and within six months of hiring a new employee. The trainings will be conducted by the Title VI Specialist, online through presentations, or through trainings hosted by Caltrans. Additionally, links to Caltrans, FHWA, and other applicable agency resources for Title VI and related statutes will be posted on the City's website at <http://www.city.fortbragg.com/departments/title-vi-implementation-plan>.

In particular, the following items will be covered in trainings:

- Review of Fort Bragg's Title VI Implementation Plan and other relevant documents
- Language assistance services and "I Speak Cards" offered for public use
- How to handle potential complaints
- Where to seek assistance for Title VI questions and concerns

Annual Work Plan

The City of Fort Bragg Public Works Department will annually establish and monitor program goals and accomplishments. The Title VI Specialist will ensure that employee training is conducted, language translation services continue to be available, public participation is optimal, and appropriate Title VI signage is posted. This also includes updating community statistics and corresponding with state and federal agencies as necessary.

Appendix A

LIMITED ENGLISH PROFICIENCY PLAN

Background

Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency" requires that Federal agencies work to ensure that the recipients of Federal financial assistance provide meaningful access to their Limited English Proficiency (LEP) applicants and beneficiaries.

As such, local agencies are required to ensure that Federally-funded programs and activities normally provided in English are accessible to LEP Persons. Each local agency shall perform an annual assessment to determine if modifications are needed to their programs and activities to ensure meaningful access by LEP persons. The assessment which is referred to as a "Four-Factor" analysis is based on the following factors:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered.
2. The frequency of LEP contacts.
3. The nature and importance of the programs, services, or activities provided by the City of Fort Bragg.
4. The resources available for LEP persons

The City of Fort Bragg is approximately 150 miles north of San Francisco and has a population of approximately 6,676 (US Census: American Community Survey 2020 5-Year Estimate). Of the almost 7,000 residents, approximately 26% of the residents are Spanish speaking, and 2% of the residents are Other Indo-European Language speaking. Based on the large Hispanic population in Fort Bragg (nearly 1,733) it is safe to assume that the primary language spoken other than English only listed in the Census is Spanish.

Four-Factor Analysis

- 1. The number or proportion of LEP persons eligible to be served or likely to be encountered.**

As shown in Table 1 below, Fort Bragg has approximately 6,676 residents. 895 (13.4%) of residents in Fort Bragg are considered LEP persons, with the majority of those LEP persons primarily speaking Spanish (1,733, 26% of the community) and Other Indo-European Languages (132, 2% of the community). The remaining 87, (1.3%) of the population speak Asian and Pacific Island languages or other languages (35, .05%).

Table 1: Languages Spoken in Fort Bragg by City Residents

Language Spoken	Group Population	Group's Percentage of Population	Portion of Group that Speaks English Very Well	Portion of Group That Does Not Speak English Very Well
English Only	4,689	70.2%	(X)	(X)
Spanish	1,733	26.0%	914 (52.7%)	819 (47.3%)
Other Indo-European Languages	132	2%	101 (76.5%)	31 (23.5%)
Asian and Pacific Island Languages	87	1.3%	42 (48.3%)	45 (51.7%)
Other Languages	198	4.3%	150 (75.8%)	48 (24.2)
Total Population Above 5 Years	6,676	(X)	5,781 (86.6%)	895 (13.4%)

2. The frequency of LEP contacts.

No data has been collected regarding frequency of contact with LEP persons at the City. The majority of interactions with LEP persons occur at the City's Finance Department due to residents paying utility bills. Based on observation from Finance Department front-counter staff, the frequency for translation from English to Spanish is on average once to twice per day. Currently, the City's Human Resources Department retains a list which lists all City staff which are certified translators for various languages. If front counter staff that speak Spanish should not be available, City staff will reach out to a certified translator.

Public Works staff does not regularly receive requests for translation through Federally funded programs/projects, though the outreach components of said programs/projects do typically have bi-lingual resources. Further, if translation services are needed, staff will provide said translation in a timely manner.

3. The nature and importance of programs, services, or activities provided by the City of Fort Bragg.

From observation provided by Public Works staff, translation services are requested for programs, services, or activities which are Federally-funded occasionally. As stated above, the front counter Staff with the City's Finance Department are the ones who most frequently encounter LEP persons requesting and/or needing translation services.

Though Public Works Staff has received very few requests for translation services on Federally-funded projects, programs and services, Staff is keenly aware that almost twenty percent of the City's residents are LEPs and therefore it is highly likely that LEPs will be stakeholder in any of the said projects, programs and services. As such, when Staff has encountered the need for translation services, Staff has provided the services readily.

4. The Resources Available for LEP persons.

After a review of the City's currently available resources for LEP persons, the City has determined that the current available resources are fulfilled considering the City has at least one bi-lingual staff member within each City department and other's readily available for translation services if needed. The City will remedy the remaining needed resources, through the action plan listed in the next section.

Action Plan

In order to ensure compliance with Title VI, and Executive Order 13166 the following publications and services will be made available for LEP person use:

- Non-Discrimination Policy Statement
 - Statement shall be printed in English and Spanish. Said statement will be posted in the City Hall lobby in a highly visible location.
- Title VI Rights Poster
 - Posters shall be printed in English and Spanish. Said posters will be posted in the City Hall lobby in a highly visible location, and additional copies will be available for the public to review and take.
- Title VI Complaint Form
 - Complaint forms shall be printed in English and Spanish. Said forms will be in the City Hall lobby in a highly visible location as well as available on the City's website.
- I Speak Cards
 - I Speak Cards will be produced to easily identify translation services needed for English and Spanish. Said cards will be placed at all public counters as well with other Title VI information.
- Title VI Webpage on City's Website
 - All of the City's Title VI resources will be posted on the City's website at the following link: <http://www.city.fortbragg.com/departments/title-vi-implementation-plan>
- Future Planning and Projects
 - Public Works will ensure that all future projects and planning documents that are federally-funded utilize outreach methods that are compliant with Title VI and other related non-discriminatory assurances.
 - Additionally, the City will ensure that outreach materials are available in English, and Spanish, and that translators are readily available as necessary for any LEP Persons that would like to contribute or participate.

Lastly, the Title VI Specialist will request an updated list of certified translators from the Human Resources Department on an annual basis (or when a new certified translator is hired), and distribute said list to those who are likely to encounter LEP persons, such that a translator can be contacted the moment one is needed.

To ensure continuous compliance, the City will review the Title VI Implementation Plan and Limited English Proficiency Plan regularly, but at a minimum, as new data from the US Census becomes available. As new regulations are created, the City will act promptly to update the existing plans and relevant resources.
