Statement of education & qualifications:

I'm running for a seat on the Fort Bragg City Council because I want to give a voice to the underprivileged youth of our community. I was raised low income in the heart of Fort Bragg and have experienced the wonderful ways our local agencies provide support. If elected, I'll help connect families with the programs our town offers. I'll work hard to create a network of communication which will allow us to work together toward the goal of empowering our youth to become successful.

Our youth don't operate in a vacuum. They have parents who also need support. There are a number of resources available to families in need, but navigating these can be confusing. I'll work with various agencies to streamline this process.

For more than ten years, I've been a personal trainer, coach, and volunteer on the Mendocino Coast. As part of my volunteer work, I've had the honor of being invited into the schools on a regular basis to listen to and be an advocate for students who feel unseen and unheard.

Our children are our most precious resource. They are our future. My goal is to rally our community behind helping our young people succeed.
