Statement of education & qualifications:

What does leadership mean? Leadership means listening to everyone, setting aside personal agendas and representing All of the people.

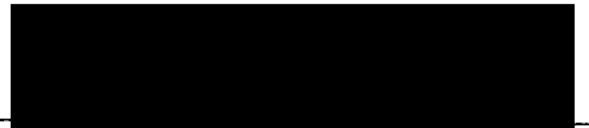

I have lived in the Fort Bragg area for over 40 years and am familiar with its history, its successes and its failings. I offer my values, experience and commitment to keep Fort Bragg moving in a positive direction.

I am an active participant of Dungeness Task Force, Salmon Council, and a number of other councils and committees associated with commercial fishing and Noyo Harbor District, helping make policy decisions at the local, state and federal level. I have the necessary experience to contribute in a positive and effective manner as a city council member.

As a council member, I will continue working to provide leadership to find solutions to the issues in our unique and diverse community.

Working together we can build a healthy community for all. I would be honored to have your support and vote.
